# Spring into Great Performances

**T**hank you for joining us for PRISM! This annual collaboration with the Florida State University College of Music is always a fun performance and has become an Opening Nights audience favorite.

Although in a new venue, PRISM features the same high-caliber performances from students in the world-renowned College of Music. Prepare for a diverse array of entertainment from Wind Orchestra, Symphonic Band, jazz ensembles, the Marching Chiefs and many other exciting groups.

Thanks to Walmart, the sponsor for PRISM, members of the Boys and Girls Club of the Big Bend are able to attend the concert and receive special Opening Nights in Class educational programming before the performance.

On Thursday, April 15, Chain of Parks Art Festival Presenting Artist Michael Rosato will kick off the art festival weekend with a keynote address. The presentation is available to attend in person at The Moon or to stream online virtually. Both

tickets also include a Q&A with Michael Rosato moderated by the Director of the Florida State University Museum of Fine Arts, Preston McLane. Questions can be submitted in advance on the Opening Nights website.

The remainder of our performances for the 2020–21 season are now on sale to the public. These incredible performances include the indie rock artist Edwin McCain and his trio, jazz artists Matthew Whitaker and Veronica Swift, Americana group Old Salt Union, and country music star Billy Dean.

Thank you for your continued support and attendance throughout this season. We couldn't do what we do without you.

## *A Collaboration with the Florida State University College of Music*

Featuring students from Florida State's top-ranked College of Music, PRISM offers a wide array of entertainment from Chamber Winds, Symphonic Band, jazz ensembles, the Marching Chiefs and many more exciting groups. The *Tallahassee Democrat* might put it best: "The PRISM shows are built on a more-is-more philosophy...PRISM's contrast between traditional fare and more experimental groups may be one of the reasons behind the program's success. Its multifaceted nature makes PRISM a gem among music lovers. Because of its design, [the performance] offers a unique show depending on where an audience member sits—those in the balcony will be nearer to certain ensembles than those in other sections, and vice versa." So come experience this unique event that lauds our students and faculty. It's fantastic, fresh and not to be missed!
