

About the performance ALICE by MOMIX

Travel down the rabbit hole MOMIX-style with Moses Pendleton's newest creation, ALICE, inspired by Alice in Wonderland. "I don't intend to retell the whole Alice story" Pendleton says, "but to use it as a taking off point for invention." The Alice story is full of imagery and absurd logic. Alice is an invitation to invent, to let imagination run and play outside. "I want to take this show into places we haven't been before in terms of the fusion of dancing, lighting, music, costumes, and projected imagery." Audiences will be taken on a journey that is both magical, mysterious, fun, eccentric, and much more. As Alice falls down the rabbit hole and experiences every kind of transformation, so will you.
